

WHAT'S HAPPENING THIS WEEK AT O.S.H.C.

Dear Creekside families, this week was full of fun activities such as dot painting, leaf painting, world environment day poster, finger painting, bench ball game, Simon says, fruit salad game, and also some delicious cooking such as blueberry muffins and vegetable soup. It was very exciting to see beautiful children coming back to the program and following the social distancing and hand washing rules in these uncertain times. We can't wait for the older children to join us too next week!
